

Product Change Notice: Bluetooth Module Family, Component Change

PCN.PG13315.160520

May 20th, 2016

About this Notice:	Component Change, Bluetooth Module Family, Series: PAN1xxx																										
Effective Date:	September 1 st , 2016																										
Change Details:	<p>The antenna currently used in the AFFECTED PARTS list was discontinued by Panasonic's supplier and will be replaced with an equivalent antenna in terms of type, performance, form factor and appearance. This component change will be reflected in the module's hardware revision level and will NOT affect Panasonic's part numbers. The replacement antenna has been tested by an independent third party, i.e. accredited test house, to verify that its characteristics are equivalent to the former antenna. Compliance has been demonstrated on the basis of e.g. FCC, IC and EU/R&TTE, the existing module's certifications are still valid. Test reports are available on request. Modules detailed in the AFFECTED PARTS produced after September 1st list may incorporate the new antenna. As inventory of the discontinued antenna is depleted, two hardware revision levels may ship in a single lot.</p>

Product Change Notice: Bluetooth Module Family, Component Change

PCN.PG13315.160520

May 20th, 2016

Notes:

Panasonic's policy and commitment to our customers as a module manufacturer is to continue producing part numbers, or their direct replacements, for as long as there is demand in production volumes.
